

Palmetto Utilities, Inc. Rate Increase Request

Docket No. 2019-281-S

Palmetto Utilities, Inc., (PUI) filed an application to increase its rates by approximately 28 percent with the Public Service Commission of South Carolina (PSC) in November of 2019. The average residential customer's monthly bill would increase by \$14.52 per month if approved.

About the Office of Regulatory Staff

The ORS represents consumers of investor-owned utilities in South Carolina before the PSC. The PSC is the state agency that sets utilities' rates. The ORS must look at the impact to the consumer and utilities' continued investment in reliable and high-quality services.
