GET INFORMED ABOUT SOLAR

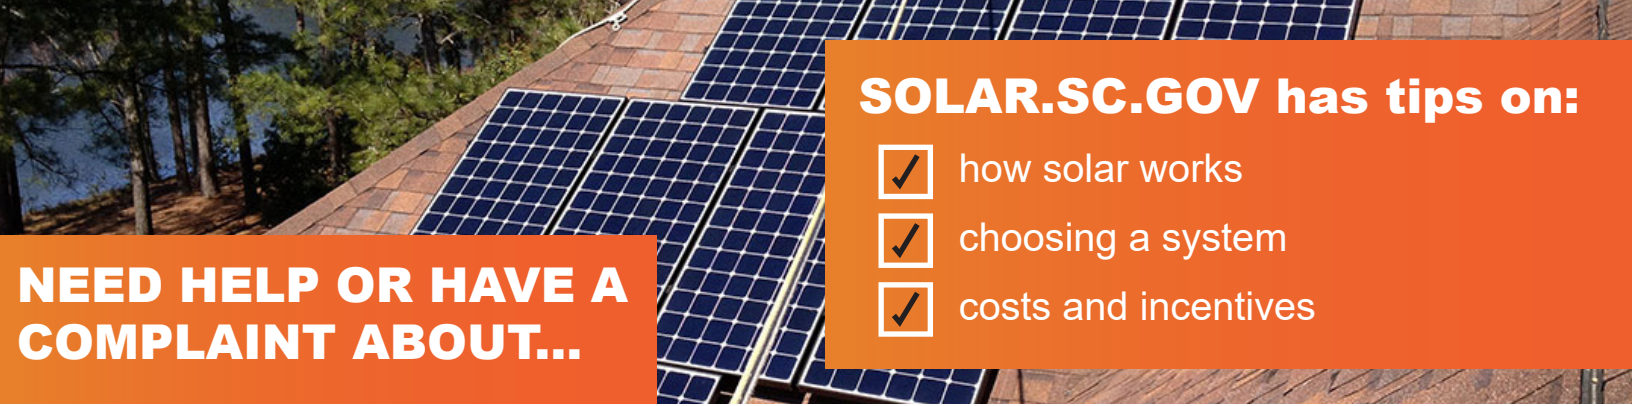

You can produce clean energy and save money with solar panels. Adding panels to your home is a big decision. Educate yourself first before signing any papers. Do not sign if you do not understand everything. It is okay to wait and ask questions before you sign.

You can get your free copy of *A Consumer Guide to Solar for the SC Homeowner* at SOLAR.SC.GOV.

To have a free hard copy mailed to you, call (803) 737-8030.
