10. Application Comments

Sandhill Telephone Cooperative is commenting on this application to provide clarification concerning the Census Blocks that we are committing to serve under this project. While evaluating the information that ORS has posted on the website, we noticed discrepancies between the Census Blocks that Sandhill Telephone intended to serve and the Census Blocks that were posted. In each of our applications we noticed that ORS has more Blocks listed than our design will cover in our projects. Therefore, we will provide a spreadsheet listing all of the Census Blocks that Sandhill Telephone intends to serve with this project.
